Wedding-day shuttles

We're working with RSI / Tarsibus to provide round-trip transportation between The Lince EcorkHotel Évora and Herdade do Freixo on our wedding day, September 1, 2027.

One departure from the hotel. All guests using the shuttle will travel to the venue at one scheduled departure time.

Staggered returns to the hotel. Several return departures will be offered throughout the evening so you can choose when to head back.

Schedule coming closer to the celebration.

Exact pickup and return times, along with boarding details, will be shared on our wedding website.
